SPONSORSHIP OPPORTUNITIES FOR ASEE-SE 2019

I hope you will consider joining us as one of the sponsors for the 2019 American Society of Engineering Education Southeastern Section Conference which will be hosted at NC State University from March 10 to March 12, 2019. This conference will provide a great opportunity for educators across the southeast to gather and share innovative and successful ways of educating tomorrow's engineering students, the very people who will become our next generation of leaders and entrepreneurs. As educators we strive to do our very best for our students, and your support will help us learn from each other.

The theme of the 2019 conference is Educating Tomorrow's Engineering Entrepreneurs. I have attached the conference schedule and levels of sponsorship. We will host more than 200 people with approximately 100 presented papers and 40 student posters. We are grateful for any support you can provide as NC State hosts a wonderful engineering education conference. Thank you again for your consideration!
